The poster features a central illustration of St. Mary's Basilica, a large white stone church with two prominent domes and arched windows. The church is set against a light blue sky. In the foreground, there are several palm trees and a dense collection of autumn leaves in various shades of orange, red, and yellow. The overall style is a soft, painterly illustration.

Wandering About the Festival

“How Merrily We Live”
The St. Mary’s Madrigal Singers

Welcome to Saint Mary’s Basilica and our Fall Festival

The festival has been organized and planned by parishioners for the enjoyment of the entire parish and the downtown community it serves.

We hope it is a wonderful opportunity to bring people together and share the spirit and communality that is expressed in our outreach to the whole diversity of God’s people.

It is also an opportunity to raise money for the church to pay for its day to day needs and support its mission in the community. So please spend as freely as you can in the knowledge of your continuing support for St Mary’s Basilica.

Many thanks are due to all of you who have given of your time, talent, and treasure in making today possible. And to our sponsors.
